### Emergency Preparedness

Accidents, natural disasters, extreme weather... all of these can be scary situations to navigate with a child—especially if your child has a delay or disability or other needs that may make a change in routine complicated. The Emergency Medical Services for Children team is coming to help us be better prepared to handle these situations, if and when they happen. [Register here!](#)

### Family Rights in EI

Families in early intervention (EI) have rights, and there are safeguards in place to protect them. Mary Dennehy-Colorusso, the Procedural Safeguards Coordinator at the Early Intervention Division at MA DPH, will help you better understand your rights as a family receiving EI services, and what to do if you have a concern or complaint. This workshop will be repeated on June 2, 2023. [Register here!](#)
